

ELECTRICAL SUPPLIES • INDUSTRIAL AUTOMATION • ALTERNATIVE ENERGY

IMARK Distributor of The Year, 2008, 2010
In Business Since 1957

ALAMEDA ELECTRICAL DISTRIBUTORS, INC.

At Alameda Electrical Distributors we've built our business around delivering solutions to help you meet your strategic goals. Whether you are responsible for your firm's purchasing, inventory or facility management, you will appreciate the quality products and services Alameda Electrical Distributors offers.

With 9 locations in Northern California we keep extensive local inventories to meet your needs today, not tomorrow, backed by the best staff in the industry. All of our employees are dedicated to helping you meet your goals and reduce the cost of doing business.

**DEDICATED
INDUSTRY
PROFESSIONALS**

We're a group of hard working, honest individuals who all share the same core values of mutual trust and respect for each other and the customers we serve. We are also a group that is very proud of our continuing ability to be in the forefront of innovation when it comes to cost savings, value analysis, and technical solutions.

**E-BUSINESS
SERVICES**

Alameda Electrical Distributors uses technology to focus on inventory, transactions, administration and acquisition to reduce your overall cost. From e-billing to custom bar-coding, Alameda Electrical Distributors has a menu of services available to help your company meet the future with confidence.

**ALTERNATIVE
ENERGY**

In a world fueled by electricity, Alameda Electrical Distributors combines the very best talent and technology to help lower utility expense, reduce carbon footprints and achieve energy independence.
SOLAR • WIND • LIGHTING RETROFIT & POWER MANAGEMENT • FUEL CELL • EV CHARGING STATIONS

**INDUSTRIAL
AUTOMATION**

We are distinctly qualified to provide solutions to address your industry's automation challenges. When you work with Alameda Electrical Distributors, you engage a team of industry experts who have streamlined processes in a vast range of industries. From water districts to the plant floor, we can meet your needs.

LOGISTICS

With 9 locations in the Northern California market, the products, services and people you need are close. Each of our branches works with their customers to build inventory around their specific needs to ensure complete, accurate and timely local deliveries with our fleet of 30 company trucks.

**GEAR
DEPARTMENT**

Alameda Electrical Distributors makes complex gear projects more manageable. Our team of gear specialist will work with you on every step; from design/quotation, submittals, confirmations, deliveries and invoicing. Our attention to detail can help your projects run faster, smoother and more profitably.

**LIGHTING
DEPARTMENT**

Alameda Electrical Distributors makes complex lighting projects more manageable. From a small lighting retrofit to a new hospital, our team of lighting specialist will help manage the process to ensure your project runs faster, smoother and more profitably.
